When I found out I was going to be on the cover of the brand new November issue of LOLLYPOPS, I totally creamed in my panties. I mean, like, wow—here I am! Front and center, naked and nubile, ready, willing and achingly able. A tempting treat for all of you out there craving a little something sweet. It turns me on like crazy to think about how many misters there are gettin' super happy just for me! Mmmm, that really makes my gynie moist. Best part is, mine's not the only yummy young cunny that's gone all damp and dewy while waiting for you to open up and cum inside. There are tons of other teen-aged tarts in here with me and we're gonna make your sticky shooter go BANG! There's Alice having a bean-flicking frolic outdoors, Stephanie diddling herself in the dressing room, Sunny and Jane sharing a special muff-munching moment, Sophie Perez winning the Teen Idol newbie porno contest and lots, lots more! This issue is stuffed full of so much hot and gooey goodness that your banana will swell until it must spit or split! I'm so proud to be the cherry on top of it all. SWAK!

### MILK DELIVERY!

Dear Natasha Nice:

You have a sweet hot pussy on you. I get a hard-on looking at hot pussy. I like the giant sized tits you have on you. I put my milk all around your pussy. I'd like to have a pair of your panties. I'd like to put my seven-inch dick in your pussy.

John from WV

### WHEN SUNNY GETS BLUE

Sunny Lane: You are one hot body. I am sure with that body you have the complete package to offer the right man, dreams to fulfill, goals to set and pleasures to experience. Sunny, baby, you take sex to the next level and I do love it. Sunny Lane please continue to explore your sexuality and be yourself. You are one hot babe. We share Lane as a name. It is my middle name. Cool.

A real admirer, Jerry from NC

### HEADS UP!

Cy Dear: I sure get turned on (in my head, if not my pussy tickler) when ever I look at your beautiful naked body. You have such a good way with sexy words, too! My sub ran out in '05 but I still lust after you, Mary Carey and Paris Hilton. The three of you are my favorite entertainers. I like your expression "Cytherea slosh test." For a 70-year-old man, my mind and everything from my armpits up work good, it's just my cock that quit working. This ole guy still knows how to pleasure a girl. I've only had real experiences with about nine girls in my life but am a connoisseur of females (human). When my "money ship" cums in, I'll re-subscribe to LOLLYPOPS, the young girl mag of choice. Suck ya later.

Al from WA

### GINGER AND A LITTLE PEPPER?

Dear LOLLYPOPS: I think the magazine is the best of any porn mag on the market. I love lookin' at the sweet, young and beautiful girls and their beautiful pussies, too. But I think the magazine is missing two things: more redheads and black sweet young pussies too. It's just a suggestion on the black, but the redheads y'all need more of.

Joey from AL

if they're hi-tops and shoot away! How hard can it be? If I could be a "Technical Advisor" on one of these photo shoots, you'd publish one of the hottest sneaker-girl layouts EVER! Not to change the subject, but why the hell did you start doing these cutesy-fartsy interviews with these porno cum dumpsters? Who care about what their parents think about them being in porn? Who cares about how many guys the fucked under the

bleachers at the little backwoods podunk high school in the little miserable home town they are from?! These bitches ain't getting paid to talk! They made the choice of being in porn 'cause they think their ass is hot enough that guys will pay good money to look at it! Am I right?!? Shut up and dance!! These porn queens are paid to show those tits and ass, fuck, suck and take it up the ass!!! Damn it!! You want feedback from your readers? Well, here it is!! For the last time—Girls in sneakers! OMG, have I got a story for you! The other day I decided that I totally needed some new clothes so I went to my fave store in the mall. I brought a bunch of cool stuff into the dressing room with me to try on. Once I started changing I felt like being naughty. I had picked out a lot of panties and nighties and stuff and, well, I have to say putting those things on made me feel kinda sexy. In fact, after seeing myself in the mirror all decked out and frilly I was feelin' A LOT sexy. So sexy, in fact, that I laid down to rub my clitty right there on the dressing room floor! I got those brand new pink undies all wet and sticky! I know the rules: "you baste it, you bought it" so I just charged it to my credit card. Shopping rules! 🍭

## **Jailbait #5**

(JULES JORDAN VIDEO)

211 min. Directed by Erik Everhard

Sluts: Nicole Ray, Nikki Flame, Eden Adams, Tori Page,  
Kacey Jordan, Beae Marie and Kristina Rose

24378

The more I see Erik Everhard's gigantic engorged phallus sliding into sluts in his fabulous fuck flicks, I've come to realize what a finely tuned instrument it

is. Not the dick itself (although it is an impressive mountain of man meat) but rather the reactions it gets from the floozies it fucks. In this business it's tough to know who's a run-of-the-mill dirty whore and who's got an echo between her legs. But once they've been entered by Everhard's Equalizer, it's easy to gauge how many porn pricks they've had experience with. We'll use a scale of 1 to 10, with 1 being a few above-average Johnsons, and 10 being the village bicycle, ridden by obese Samoans.

The first subjects of my study in *Jailbait 5* are Beae Marie and Kristina Rose, twittering teenagers whose babysitter, Everhard, leaves them alone in the house. When he returns, he finds them playing cops and whores, with Kristina's fingers buried deep in Beae's naughty bits. Of course, Erik has to fuck them both to straighten them out, and it's

she calls upon the lord again, then google-eyes her way through the scene, probably because his ramrod is pushing them out of her head. It's adorable to watch, and I give her a 3 on the Meat Meter.

Tori Page, a Brownie raising money for Troop #69, gets \$12 from Everhard in exchange for a chance to scout her girl parts. Despite her sweet demeanor, Tori is the

obvious that, despite all whorish appearances, these two have never encountered a love-muscle this large before. Kristina takes it in stride, commenting on its size and shouting as it

plows into her, but Beave loses the capacity for speech and movement when it's her turn, flopping helplessly while he explores her vital organs. I give them both a 2 on the Whore-O-Meter that is Erik's cock.

Next, Nicole Ray needs swimming lessons, and Lifeguard Everhard removes her suit for a better "breast stroke." Soon enough, the Twat Tester is released from its trunks, and her first words are: "Oh my GOD." Unsurprisingly,

first tried and true whore of the film; she takes the Sluthood Spectrometer like a pro, slobbering, deep-throating and moaning her way to a score of 7.

Next, Eden Adams sits in after-school detention with three other delinquents: Sascha Koch, Mr. Pete, and Erik Everhard. Apparently Eden was caught "smoking pole in the boys' room," Sascha was pimping out classmates, Mr. Pete was dealing, and Everhard was masturbating while watching the girls' volleyball team. Eden, the school slut, waits for the teacher to leave, then fucks all three of her hardened delinquent classmates. I've gotta give it to her: Eden earns a 10 on the In-N-Out Index. I've rarely seen a young woman with a yawning hole quite this tough.

Nikki Flame is a meeker slut who misses her school bus, then gets the ride of her life from Everhard. When he lets loose his Floozy Filler, she keeps her cool, but from the two minutes it takes for him to stretch her out enough to let loose, I'd say she's no higher than a 4 on the Man-Meat-Meter.

Last up, tiny-titted Kacey Jordan faces Steve Holmes, who dons a fucking terrifying clown mask on Halloween. Tricking her with promises of candy, he lures her upstairs to treat her to his prick, and soon Everhard's ever-harder member joins the fray. Kacey's so skinny you expect his dick to come bursting out her side, or up out of her throat, or to at least

push her other organs out of the way, but she enjoys every second of it with her trademark toothy grin. She's definitely an 8 on the Scale of Slutitude.

All said, Everhard's cock brings out the truth about these slips of sluts, and watching them handle it is a hard-on waiting to burst. Four Lollypops and a spewage salute to the little darlings for daring to take on the Rod of Truth!

# Just Over Eighteen #19

(RED LIGHT DISTRICT)

149 Minutes. Directed by Mr. Pete

Sluts: Alexis Love, Tori Black, Kacey Jordan, Maxine Tyler, Isabella Cruz, Courtney James

24377

Have you ever been watching a fuck film and flicking the old prick around when suddenly you found yourself wondering:

What is this girl's favorite color? This woman on the screen taking double dick loads: does she identify particularly with any one role model? What is her fondest childhood memory? I thought not. Me neither. But it's interesting information when it happens to come out of their mouths instead of spit-strings, so *Just Over Eighteen #19* is a sound investment of cash, time and swimmers. Director Mr. Pete takes his time with most of his starlets, introducing them to the unfamiliar and asking a few questions to get them loosened up, while also giving the audience a chance to get to know them. Not that we care, but sure, why not find out whether they've had boob jobs, or how long they've been in the business?

For instance, who would have guessed that the beautiful Alexis Love would have a thing for Brad Pitt, or that her favorite pasttime off set is having sex? Well, okay, I would have definitely guessed that. Those are pretty standard answers, but still,

watching this lovely and lithe, long-legged and lusty creature work her magic on Mr. Pete is well worth it. Not to say that Mr. Pete isn't the most cumposed of porn tycoons, but his "interview" with her only lasts a few minutes before he loses his cool and dives right into her immaculate ass. Wearing a pearl necklace and white stockings, Alexis looks as classy and pretty as anyone with a gigantic man-sausage buried in her muff can, and she carries her scene off with a finesse rarely seen in the fuck field.

Courtney James, a newcummer from Dixieland, takes the screen next to reveal her penchant for Mariah Carey's perfume and pussy, and to inform us that she idolizes her mother. The mother comment might make you less-cynical sex fiends squirm with guilt as you watch her take on Mark Wood & John Strong, but the wacktastic way she handles them will put your worries to rest. Courtney proclaims she's only been in the business for "four or five months," but this girl was born to be in porn whose only flaw is an unexcited swallowing face, but that will cum in time.

Moving on, a fucktacular scene starring Isabella Cruz, who doesn't get to answer any quirky questions because Mr. Pete can't keep his hands off her. I really think there's a love affair

going on here—between Mr. Pete and chunky chicks. Isabella is a lovely ESL chica with plenty of bounce to every ounce, junk in the trunk, cushion for the pushin', etc, but she scorches through an incredibly hot set in multiple orgasms and languages and bringing out the very best of Mr. Pete, all over her jiggly ass.

Tori Black takes on Mr. Pete and John Strong next in a raunchy, trash-talking, spit-spraying, finger-fucking, everything-short-of-double-dipping deluge of dick that will leave you breathless and probably bereft of your boner by the time it's through. She might be a newbie, but this girl has been having dirty sex for years and nobody will convince you, or your cum-splattered screen, otherwise.

Last we get a glimpse into the fond memories of young-but-not-so-innocent Kacey Jordan and Maxine Tyler, unusually close stepsisters who bonded as youngsters over a game of "touch." Honestly, I wasn't impressed with their flashback lesbian scene, where neither of them seemed interested in getting the other one off so much as posing nicely with a glass dildo, but I'll admit it was pretty

to watch. And, in another flashback scene, the girls decide to throw down in a blowjob contest that, unsurprisingly, breaks down into a threesome with Mark Wood. This scene is far superior in my book, and worth waiting, or fast-forwarding through, the preceding all-pussy scene.

All around, though, I can't complain about *Just Over Eighteen #19*. As far as nubile newbies go, Red Light District always picks the cream of the cute crop for your pricks, and this outing is no different.—BLJ

It's not like it wasn't time for another teen movie. In fact, in porn there's always **TIME FOR TEENS**. The list of porn niches and sub-categories is vast and can be fetish-precise to a point of extreme specificity, but teener-ism will always be a universal, cross-genre feature of lust until the end of

the world. That's

because from

the begin-

ning of

time the

most

desired

commodity

to any dude

on the planet besides

comfortable shoes and a

warm place to shit has

been a younger girl who

will allow you to penetrate

her at will. An insane but

occasionally profound ex-

girlfriend of mine correctly

defined the primary determi-

nant of human sexual attrac-

tion as being the perception of

health in a prospective breeding

partner. So there you go. Youth

will always be considered more

beautiful and healthy than the alter-

native. Fucking duh.

I theorize that the granny fetish didn't exist for antiquity dudes because if they even lived long enough to get into puberty they were too busy trying to procure food and kill off adversaries to have time to explore their sexual desire for extremely older women. That obsession would become fashionable as a by-product of more comfortable times, closely paralleling the rise of Cheetos as the world's most popular snack food. Up until that watershed juncture in human history the hard, biologically driven rules of ancient sexuality prevailed, leaving the youthful female as the true, primary sexual choice.

So here we are and things haven't changed a god-damn bit. Every human can be a cultural anthropologist to themselves and will like what they like no matter what. There are forces among us who would argue that porn consumers are not human but we know differently. As always, the more things change the more they remain the same. Teener porn will never die.

Rick Davis has never been out of a gig. His phone is constantly ringing with offers because he is one of the most efficient and capable directors in the industry. He has worked with nearly everyone and navigates his way through the niceties of a porn scene with diplomacy and flair but wants to get in and out as quickly as possible. He speaks with an urgent New York accent and has the ability to motivate without being pushy. Like a porn Tony Robbins, he has refined this quality to an art that few have mastered. And if he ever wanted to he could make billions with

the Rick Davis assertiveness training and life wonderment expanding system for reticent people, all it would take is one infomercial.

Kick Ass Pictures mogul Stuart Wall is up to speed and knew what he was doing when he hired Davis to shoot all of the scenes in his newest teenor opus, *Teen Idol 5*. At the moment, Davis is holding court at a desk in an otherwise barren room at the back of a quiet, San Fernando Valley porn house complex.

"This one has this new girl Sophie Perez," he says rapid-

ly. "It looks like she's going to be on the boxcover too. [Editor's Note: In the end, Kelly Skyline won the boxcover sweepstakes.] Yeah the girl is dressed up in a little plaid schoolgirl thing and in all of the scenarios the girl is coming home from school and it's daddy's worker or daddy's partner or the next door neighbor."

Davis rattles off porn scenarios like he's heard and seen them all, and that's because he has, over and over for years to the point of being able to recite by rote all permutations of any possible scene set-up. Each genre has its probable

makeshift direction and in teener movies the "wayward youth" envelope is always pushed as far as it will go.

With IDs and model releases in place that prove beyond the shadow of a doubt that the young lady in question is over the age of eighteen, there are always plenty of ways to enhance innocence quotient regardless of look. Sometimes they work fine and sometimes they're a joke, but in Sophie Perez's case all is well because what we have here is a lanky nineteen-year-old, and that's what teener porn is all about. Davis makes the point that verification of a girl's legality, at least in this instance is to be built into the scene scenario as well. "I establish the scene where say, the the guy's working and the girl comes upstairs and says, 'Who are you? This is my daddy's house.' She'll say that she's busy doing her schoolwork from college so we now know that she's at least eighteen so we've established that." We know that it is the code of the porn director to portray things not as they really are, but to spin them in the most provocative way possible under the circumstances but yes, these girls are all totally YOUNG, HOT AND LEGAL! We understand.

**THE BLOW JOB RUNS  
SMOOTHLY BUT SOPHIE IS  
PRETTY NEW AND SHE HAS  
NOT COMMITTED  
THE USUAL SEX SCENE  
CHOREOGRAPHY TO MEMORY  
AT THIS EARLY CAREER  
JUNCTURE, SO SOME  
GUIDANCE IS IN ORDER.**

While photographer Rick Shameless is shooting Perez in a cheerleader uniform for the boxcover I walk behind him and trip over the power cord to his strobe light, knocking it to the ground. This is not the type of thing that you want to do if you are an unpaid, porn-set interloper and I turn into Mr. DUDE I AM SO SORRY while a very non-amused Shameless tries to get it fired up again. It is of course trashed and he needs to run out to his ride to get his back-up light which is luckily in working order. From this point on I am an official,

professional pain in the ass so I decide to give everyone a break and split outside onto a back driveway where other directors are loading gear into the several adjoining, ground floor porn apartments. Very soon on this quiet Northridge street myriad acts of sexual deviance will soon break the sunny afternoon stillness. Extreme porn girl Trinity Post walks out dressed in black and throws a garbage bag into a dumpster. She's living here, at least for now. Like so many quarters of the porn drenched San Fernando Valley, this neighborhood is way more than it seems from the outside. In Pornland the underbelly is always nearer than you think.

Davis is ready to shoot the set up and gives Sophie her acting directions. "Okay, I'm going to give you a back pack and you're going to come in and say that you have to practice your cheers," he says, "We're going to have you take off your shoes and practice your cheers barefoot then he's going to come in and you're going to ask him what he's doing here." Then Davis turns to male talent Jordan Ash who has been waiting patiently with crossed arms, "You're going to say to her that you're renting the guest house from her dad." Done. The context for fucking is

Worldwag

complete and Davis wants total quiet so I split outside again with a plan to return for the sex part. From here on out I'm Mr. STAY THE FUCK OUT OF THE WAY.

It takes nearly an hour for Davis to get the lead in like he wants it and when he's done the sex starts almost immediately. The blow job runs smoothly but Sophie is pretty new and she hasn't committed the usual sex scene choreography to memory at this early career juncture so some guidance is in order. "Either you give me head or I fuck your face," says Jordan Ash, "It's either one or the other." Sophie isn't digging in like a pro but that's okay because this is a teen movie and teeners haven't had the opportunity to suck 8,000 dicks yet like Sandra Romain. A little bit of learning curve is good. They make it through all of the positions and Davis tells Sophie to kneel for the pop but some more detailed load manipulation advice comes from the source. "Don't spit it out," Ash says, "Drool and get it all out of your mouth that way...He'll be right there and right on it."

To her credit Sophie pulls off some nice oral sperm ribbon maneuvers after Ash blows his load. She cleans up quickly and leaves in the plaid cheerleader outfit. I apologize to Rick Shameless again for busting his light while he packs up. "Shit happens," he says while casting a dismissive look. Dude, it is so time for me to get the fuck out of here. I say adios to Davis and apologize to him about the light too. He's his usual cheery self and it's no problem because he hired Shameless and that's his problem. I'm so gone, man. Cars belonging to people in the other scenes are packed into the driveway like sardines and there is a girl trying to locate the owners to move them so we can get out. There are a bunch of people fucking for cameras within spitting distance right now because the porn never ends.

**SUNNY & JANE**

[www.lollypopsonline.com](http://www.lollypopsonline.com)

Getting those matching plastic vibes was the best idea Jane ever had! At first I thought she was crazy, but then I figured hey, why not. She is my best friend, after all, and we've learned to stick together. And now we can stick each other with our pretty pink pricks wherever and whenever we want! I just love making Janey all juicy, her pussy smells like candy and it tastes even better. She says I taste super gummy too and I'm glad she thinks so 'cause I love it when she licks me all soft between my legs. Jane likes it best when I stick things in her cunny and our new plastic dicks fit perfectly. So I fill her up, flip it on and it's fun, fun, fun! In fact, I'm gonna start saving up for more batteries 'cause I'm getting the feeling that these won't last too long. Janey's got one greedy gash. 🍷

Leno & Vito

I've had a crush on Vito forever. He delivers pizzas in my neighborhood. He has such a sweet bike! I love to watch him pedaling down the street; his ass looks so yummy on the bicycle seat. I'm so glad I finally got up the nerve to tell him I think he's hot, cuz he immediately invited me on a romantic picnic. At first I thought we were just gonna eat and cuddle and stuff, but then he pulled out his cock. It was so big and so hard, I just had to suck on it! It felt nice in my mouth but then I wanted him to put it in my pussy. He totally wanted it in my pussy too cuz that's just where he stuck it. And stuck it and stuck it until I came buckets, LOL! Then he spurted his gunk right on my face. I TOTALLY think I'm in love. 🍭

**Turn-ons:** I like giving head and having my nipples sucked on. Mmmmm...

**Turn-offs:** Jealousy, bad tippers, and guys with small dicks—I want more than a mouthful.

A photograph of a person lying on their back on a bright orange, tufted couch. The person's legs are raised and bent at the knees, with their feet pointing towards the top left. Their right arm is extended across their chest, and their left hand is resting on the couch cushion. The word 'NEELY' is superimposed over the center of the image, with each letter inside a different colored circle: 'N' in a lime green circle, 'E' in a pink circle, 'L' in a blue circle, 'L' in a white circle, and 'Y' in a yellow circle. The letters are in a bold, sans-serif font with a black outline.

NEELY

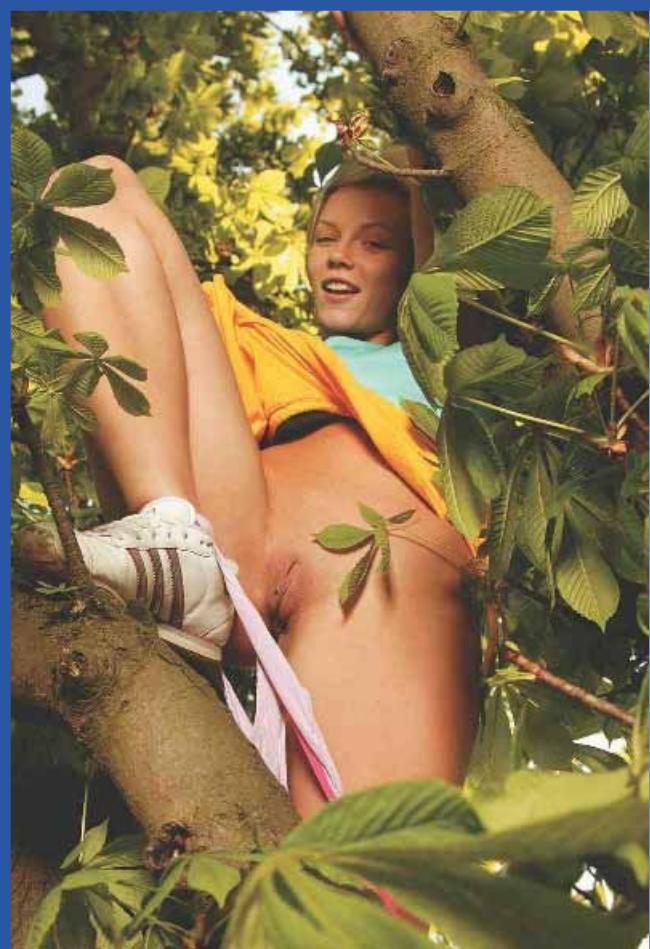

I've always been kinda a tomboy. I mean, I'm not a lezzie or anything, I like boys and all, but sometimes I like to do things that boys like to do. Like I love to climb trees, for example. And I like to play sports and ride my bike and things like that. My absolute favorite thing to do is to get myself off. But I don't just rub on my clit like the other girls do, I like to push things way deep inside my pussy. It feels just like getting fucked! Except, when I do it myself with my big shiny dildo it feels nicer than when any boy I've known has tried it. When I'm by myself I can wriggle it and jiggle it in just the right way so that I cum like crazy! The more I do it, the more I want it, so these days I'm pretty busy. I have no time for boys at all!
